TIPS FROM THE RED CROSS**

**Dress for the heat.** Wear lightweight, light-colored clothing. Light colors will reflect away some of the sun's energy. It is also a good idea to wear hats or to use an umbrella.

**Drink WATER.** Carry water or juice with you and drink continuously **even if you do not feel thirsty.** Avoid alcohol and caffeine, which dehydrate the body.

**Eat small meals and eat more often.** Avoid foods that are high in protein which increase metabolic heat.
